## About David

**David's Been Featured In:**

1.7 million men & women come to me every month to find the secrets to success. And after 20 years of coaching, I've discovered the golden keys to success in dating, business, health and wellness, and life.

I've helped millions of men and women around the globe achieve success in their dating, social and personal lives. Some say I'm nuts, others say I've changed their life forever. One thing's for certain: I'll always give you the truth, whether you can handle it or not. I never sugar coat anything. Nice is so overrated. I'd prefer brutally honest breakthrough to a "nice" rut any damn day of the week – and if you're the same way, read on...

***Are you ready to learn the secrets that  
will satisfy ANY woman (and have her  
BEGGING for more of you)?***

Of course you are...

And that's exactly what I'm going to show you here.

But, I have to be upfront with you right now.

This has nothing to do with sexual positions.

This has nothing to do with roleplaying.

This has nothing to do with toys, dildos, handcuffs, leather bondage, or furry fetishes.

In fact, it doesn't even have anything to do with [going down on a woman.](#)

All of these things can "spice up" sex and foreplay in the bedroom, if that's what both of you are into. But in this eBook, I'm going to get even deeper with you.

Because before you can whip out the handcuffs and tell her to call you "Daddy," you've got to learn the basics.

You've got to get to the *root* of what makes a woman cum, and the root of what makes her cum is not physical.

Women are emotional beings. Relationships are emotional.

**Sex is emotional for them.**

**So, you've got to learn how to sexually satisfy her on an *emotional* level.**

It's like building a home. Eating her out, choking her, dressing her up in a naughty maid's costume – that's just the furnishing (and again, it's only a good idea if *both* of you are into it).

**But if you want to be the man who can sexually satisfy her EVERY time – and have her BEGGING for more of you – you've got to build your house on a solid foundation.**

And that means connecting to a woman on the emotional level of her sexuality.

# LESSONS FROM A NAUGHTY SUBURBAN HOUSEWIFE

Let me share something with all of you.

When I was young - 14 years old to be exact, a clueless little teenager in Scarsdale, NY - my mother had a beautiful friend who was 29 years old.

Her name was Vicki, and she was absolutely gorgeous.

I would always time my, well, entrance into the kitchen when I knew all my mom's hot friends would be sitting around and talking about naughty things.

Because that's what women do... especially *bored, married* women.

I'd make my way downstairs from my room or from the den, and I'd usually catch a conversation about sex.

I would slowly get my snack, my donut, or whatever it might be, and eventually, Vicki would always come and get me.

"Hey David."

I'd say, "What?"

And she'd say, "Why don't you come in here and learn some things?" From 14 to 17, I used to sit with my mother's friends and I used to learn something about women:

**They are naughty.**

*Every woman has an inner naughty girl that is looking to come out.*

So I sat there, wide-eyed, a total virgin, listening to everything.

I couldn't believe how sexual women were... and how much they wanted things done to them.

And it was great, because all these women were so frustrated, because all the men they were seeing were just typical guys.

- ✓ Guys who would have **sex with them for five minutes, cum, and then roll over and go to sleep.**
- ✓ Guys who couldn't **communicate and talk about sex** at all.
- ✓ Guys who would just **objectify women** and look at them without even learning.

**These women taught me 3 key things to unlocking any woman's inner naughty girl:**

#1 Sex Secret

**LISTEN  
TO HER**

I couldn't believe how simple it was when I figured this out.

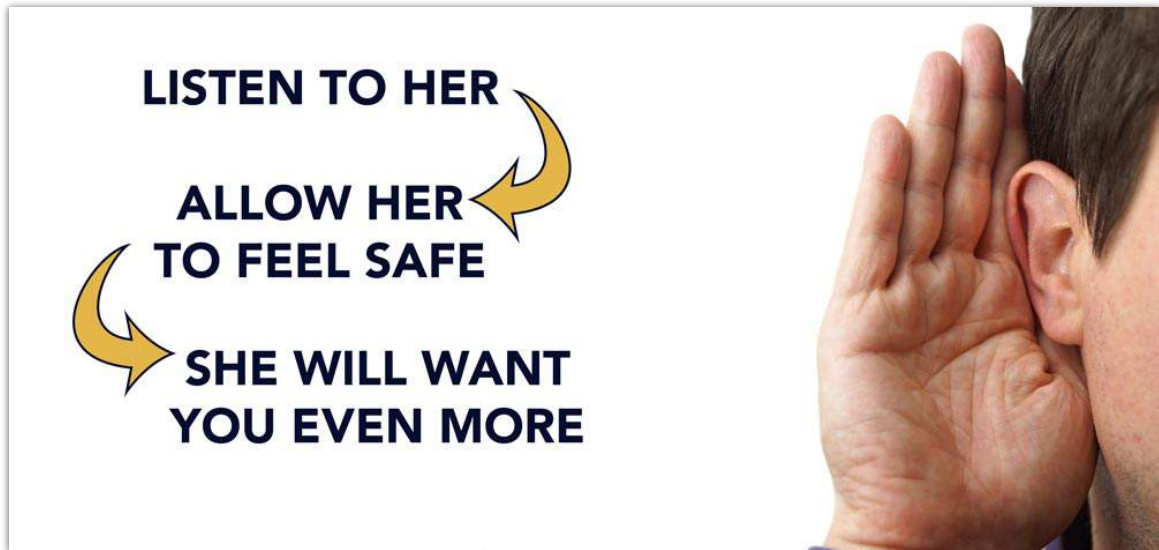

I almost thought to myself, what do you mean by listening to her?

But what I have found was this: when you listen to women, when you hear their thoughts, when you hear their desires and wishes about life and other things, and you allow them to express themselves...

**They feel so safe, so vulnerable that they don't even think about being with anybody but you.**

And that goes back to what I said in the beginning: sex is an extremely **emotional** experience for women.

And by listening to her, you are respecting and validating her emotions so that she will feel safe with you. If she feels safe with you, she will become vulnerable with you sexually.

But if she does not feel safe, she will not allow herself to become vulnerable and her sexual experience with you will be, well... not that great.

So that's the first thing: **making them feel safe, vulnerable, and listening to them.**

#2 Sex Secret

**SHOW  
RESTRAINT**

I believe in what I call [the George Costanza theory of sex:](#) you do the exact opposite of what everybody else has ever done.

Let me explain. You see, when you're crawling all over her and humping her like a Golden Retriever in heat at the end of date #1, she's looking at you as an average chump, just like every other guy that's ever gone out with her.

You've shown no restraint, and when you show absolutely no restraint, she gets turned off by you.

She thinks that sex with you is going to be another bad experience for her, that you're another guy who's going to go and have sex with her and cum too fast, and basically do nothing for her.

So, I learned **the magical trick of restraint**. I am so restrained that no matter how beautiful a woman might be, I just treat her like a woman.

I listen.

And at the end of the date, I give her a hug, maybe a kiss on the lips, and then I throw her back literally with my hand, and I tell her to leave.

I show full restraint because that way.

And when you show full restraint, you have an opportunity to show her that you are the man that's totally the opposite of all the men that she's ever dated.

It's powerful, it's sexy, and it works great. It also builds up tension and shows her that you can resist, that you equally want to feel safe.

That you want to be the man that feels safe around her, too, that you possess these amazing sexual techniques because you're not trying to hump her or date rape her before the night is even over.

Which leads us to number three...

#3 Sex Secret

**THE POWER OF  
COMMUNICATION**

## Communication is the ultimate form of lubrication.

Finding out what she likes and doesn't like, allowing her to speak about sex, allowing her to freely talk about what her needs, wants, and desires are in the bedroom...

...will get her absolutely amped up for you.

(**RELATED:** [The 3 Keys to Successful Communication With Any Woman](#))

She'll be so turned on that you're listening and literally taking mental notes, because you're learning what I call **her sexual blueprint**: the blueprint that she's literally going to expose to you so she could become the naughtiest version of herself.

## Become Here Emotional Fantasy

## Become Her Sexual Fantasy

These are the 3 keys to getting ANY woman to cum for you.

I know it sounds crazy – or maybe even a bit obvious to some of you – but believe me, they *work*.

I know this for a fact, and I can give you 3 reasons why:

1. My own sexual experiences
2. The lessons Vicki and other Scarsdale housewives taught me
3. The women I coach – because remember, I coach both men *and* women.

Once you've mastered these 3 concepts, you can get into the *really* dirty stuff.

Clit play.

Tongue play.

Phone sex.

Sexting.

Roleplaying fantasies.
